Gateway Team Tournament

2024 Gateway Team Tournament

The **Gateway Team Tournament** was held 1/13/2024 at Belleville West HS.

This tournament has two distinct sections:

Team Section: This section is organized as a team versus team tournament. Each team has five players, boards 1 through 5, Board 1 though 5 of two teams play each other respectively. The results of each game are weighted by board (8 points for Board 1, 7 for Board 2, etc.) and added together for the team score. Whichever team gets the most points wins the match.

Team awards are given based on the team's division. All divisions are paired together.

Individual (Board) awards are given to the players with the best scores on each board regardless of team results. Each player is only eligible for awards on the lowest board they have played during the tournament. So if a player played three games on Board 1 and then one on Board 2, that player is only eligible for Board 2 awards.

All teams are paired together regardless of team division.

Individual Section: This section has no team awards. Only individual awards are given.

All individuals are paired together regardless of grade.
