

2026 Gateway Team Tournament Results

The Gateway Team Tournament was held 1/10/2028 at Belleville West HS.

The tournament is divided into two sections.

The **Team Section** is a five-v-five board weighted team tournament. Teams are paired against each other, and the team standings are based on overall team-v-team results. Each team member is assigned a board, numbered from one to five. Each team places their players on Boards One through Five in approximate order of ability. Each team-v-team match consists of five games with the team members from corresponding boards playing each other. The Board One match is worth eight points, Board Two seven points, and so on, totaling thirty points. The team with the most points wins the match, Four member teams are permitted, but for them Board Five always scores zero points.

The first tiebreaker used is the US Amateur Team Tiebreak.

The division of each team is indicated by the number after the team. 10, 11, and 12 are High School teams, 30 and 31 are 8th and Under teams, and 50 and 51 are 5th and Under Teams.

The **Individual Section** is an individual tournament for players who were unable to be on a team.

Both sections are four rounds paired via the Swiss System, with the time control at 60 minutes with a 5-second delay, abbreviated as 4SS G/60 d5.
